

REACH DECLARATION OF CONFORMITY

TECHNOSOFT S.A. hereby declares that, based on information provided by our suppliers and our internal verification procedures, our products and their associated parts, accessories, and packings are manufactured in compliance with Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

TECHNOSOFT confirms that, to the best of our knowledge and based on current available information from our supply chain, our products do not intentionally contain any of the **250 Substances of Very High Concern (SVHCs)** currently listed on the REACH Candidate List as of **June 2025** and as defined by REACH Article 57 and Annex XIV.

Latest SVHC List Updates:

- 32nd Update (January 21, 2025): 5 new SVHCs added (Total: 247)
- 33rd Update (June 2025): 3 new SVHCs added (Total: 250)

TECHNOSOFT is actively monitoring developments regarding the anticipated REACH Recast (expected late 2025) and is preparing internal processes to ensure compliance with any new requirements related to registration validity, dossier updates, and digital compliance mechanisms.

This declaration is based on:

- Information currently available from suppliers
- The REACH Candidate List as updated through June 2025
- Industry knowledge and available testing data

TECHNOSOFT cannot guarantee the absolute absence of SVHCs in all products, particularly in complex articles or those with multiple supply sources. This declaration reflects our current knowledge and commitment to REACH compliance based on reasonable due diligence efforts.

TECHNOSOFT commits to reviewing this declaration annually or immediately following significant updates to the REACH Candidate List (i.e., when new SVHCs are added). Any material changes to our product composition or supply chain will trigger a revision of this declaration.
